Draft Framework – In Development (to be completed with internal and external consultation this summer)

Multi-Year Action Plan for Bias-Neutral Policing:

The Multi-Year Action Plan for Bias-Neutral Policing (MYAP) is organizational-wide action plan for bias-neutral policing that responds to the recommendations received from the Traffic Stop Race Data Collection report and community and police feedback received over the several years. It will focus on coordinated action, building diversity leadership, and creating a culture that embraces equity, diversity, and inclusion (EDI).

MYAP Goals:

- To demonstrate leadership in policing by continuing the ongoing work related to ensuring bias-neutral policing.
